

Walnut Springs Elementary School PTA

Dear Walnut Families,

Walnut Springs Elementary School PTA is planning Walnut Palooza, our annual spring carnival, for April 12, 2018. We are looking forward to seeing you and your children at the carnival and invite you to be part of what makes this school and our community such a great place to be!

Walnut Palooza is first and foremost a fun evening of games and attractions that our students look forward to all year long. It is also our primary fundraiser. The money we raise allows us to support the students, families, and staff of the school. Just a few of the ways that our school benefits from a successful carnival include grade-level programs like Camp Write Along and Camp Champions; community events like Movie Night and Science Night; educational support such as supplies for the science lab, music, and art programs; and recognition of student achievement through the Tiger Store program.

In order to make Walnut Palooza a fantastic event, we are seeking sponsors. As a sponsor, you will be given various recognition opportunities such as having your name or company logo displayed on the WSE PTA website, a mention in the weekly email blast to our more than 540 families, and your name on our Walnut Palooza sponsor banner, which will not only hang on the night of the event itself, but also throughout the 2018-19 school year.

Please review our attached sponsorship form and consider becoming a sponsor at the level that best fits. We are also soliciting donations of goods or services for our raffle and silent auction, if that is a better option. We appreciate any and all support of our school!

Thank you so much for your consideration! Please contact us at any time if you have any questions or need additional information.

Sincerely,

Tiffany Portewig
